

General Requirements for all Submission Types

All submissions must be in Adobe PDF format. Files submitted in other formats or that do not use the paper submission template will not be considered for review.

Types and Limitations of Submissions

- Submissions only open for Professors or Doctoral students.
- Completed research papers are up to **15 pages** in **English** version.
- Short Papers are up to **8 pages** in **English** version.
- Author name(s) should not appear in the body of the paper (including the abstract).

Language

English is the language of the conference and of all submissions.

Originality

Submissions to TSWIM must be original; submissions, or highly similar versions, cannot have been published or accepted in a journal or conference proceedings.

Further, submissions must not be concurrently under consideration for publication or presentation elsewhere.

Template and Formatting Requirements

The body of the submission (text, figures, tables, references, and appendices) should be stored in one single file and must use the **TSWIM 2024 Submission Format**. All figures and illustrations must be inserted into your Word.doc or Word.docx file as either JPG or GIF format (other formats or embedded graphic objects will not be converted to PDF correctly).

Copyright Note

For all papers accepted into TSWIM 2024, authors of accepted papers will retain copyright.
